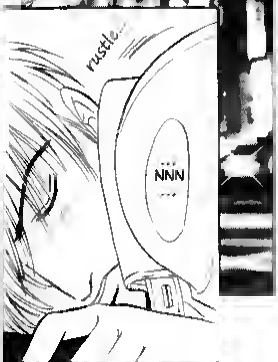
HOME SWEET HOME

In the last 5 years I worked my ass off for a company not once did I miss a day of work, nor was I ever late. I didn't even take vacations!
Then without warning, I was let go with just a pat on the shoulder and a "Sorry, we're eliminating your position"
What a perfect ending, right after getting rejected by my crush

SWOOSH!



rustle...

SNORE
Oh well!
THE LAST TRAIN... ALREADY LEFT.
It's not like I've to go to work tomorrow
